

# 17th SCHELDEPRIJS

## September 18

When entering Schoten Ronsse, Van Bruaene and Van Impe had a lead of 4 minutes on Verdyck, Dossche and Hoevenaers. The rest was even further behind. The three manage to stay away and in the sprint Ronsse is by far the fastest rider. The 21 year old Georges Ronsse, who had already won Paris-Roubaix that season, succeeds Jef Dervaes, his ultimate Antwerp rival!
